NEWS RELEASE

For Immediate Release – Monday, November 2, 2020

Oneida County- On Sunday, November 1, 2020, there was a call of a missing child in the Town of Woodruff. Woodruff Police Department, Minocqua Police Department, Oneida County Sheriff's Office, and Vilas County Sheriff's Office all respond to find the child. The child was found within two hours of the initial call.

This press release is not about the missing child though as the child was found safe without incident. The Oneida County Sheriff's Office would like to thank the numerous volunteer firefighters who responded to assist law enforcement in the search. They brought their trucks, their ATVs, their boats, their search and rescue dogs, and especially their personnel. For this call, Woodruff Fire Department, Minocqua Fire Department, and Newbold Fire Department responded, but we know if law enforcement had needed more assistance, other volunteer fire departments would have responded from around the county. We truly appreciate the relationship we have with the volunteer fire departments throughout the county and that they consistently responded to assist when requested. Sheriff Hartman would like the citizens of Oneida County to know they should be proud of those who serve as volunteer firefighters throughout the county and thank them when you have the opportunity. We could not do our jobs successfully without them in many cases. Thank you to all of the volunteer fire fighters throughout the county who serve the citizens of Oneida County on a daily basis!
